

PATENT APPLICATION
Docket No.: COS-899

DECLARATION

As below named inventors, we, ROBERT PONCELET, JERRY MURREY, DOUG BURMASTER, MARC MAYHALL, and OWEN HODGES hereby declare that:

Our residences, mailing addresses and citizenships are as stated below next to our names.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed and for which a patent is sought on the invention, design or discovery entitled: IMPACT COPOLYMER WITH OPTIMIZED MELT FLOW, STIFFNESS AND LOW-TEMPERATURE IMPACT RESISTANCE, the specification of which was filed on November 14, 2003 as Application No. 10/714,011.

We have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

We do not know and do not believe that said invention, design or discovery was ever known or used in the United States of America before our invention or discovery thereof, or patented or described in any printed publication in any country before our invention or discovery thereof, or more than one year prior to this application, or in public use or on sale in the United States of America more than one year prior to this application; that said invention, design or discovery has not been patented or made the subject of an inventor's certificate issued prior to the date of this application in any country foreign to the United States of America on an application filed by our or my legal representatives or assigns.

We acknowledge our duty to disclose information of which we are aware which is material to patentability in accordance with 37 C.F.R. Section 1.56(a).

We hereby claim foreign priority benefits under 35 U.S.C. Section 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign applications(s) for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:
